

Alive, Awake, Alert, Enthusiastic

(This song is an awesome song to sing in the morning at camp to wake everyone up. But you better be ready to run, because I can guarantee that SOMEONE will come try to make you stop singing!)

I'm alive, awake, alert and enthusiastic
I'm alive, awake, alert and enthusiastic
I'm alive, awake, alert, I'm alert, awake, alive
I'm alive, awake, alert and enthusiastic

(I'm dead, asleep, inert and slightly spastic: A great alternative, when you feel like competing with someone who's singing "Alive, Awake...")

A Freezing Tent

(to the tune of a ram sam sam)

A freezing tent, a freezing tent,
The rain is coming down in a freezing tent. (repeat)

Wet blankets, wet blankets, / The rain is coming down in a freezing tent. (repeat)

He can be a friend, be a friend, be a friend, too

The alligator is my friend
He can be your friend too
I'd rather have him as my friend
Than have him as a shoe

The alligator is my friend
He likes to wink and flirt
I'd rather have him as my friend
Than wear him as a shirt

The alligator is my friend
He likes to help the earth
I'd rather have him as my friend
Than have him as a purse

The alligator ate my friend
He can eat your friend too

If only you would understand
That he has hunger too!

different type of bean.)

Billboard Song

As I was walking down the street one dark and dreary day,
I came upon a billboard, and much to my dismay,
The sign was torn and tattered from the storm the night before
The wind and rain had done its job, and this is what I saw:

Smoke Coca Cola cigarettes, drink Wrigley's spearmint beer.
Cattle ration dog food makes the worst complexion clear.
Simonize your baby with a Hershey's candy bar
And Texaco's a beauty cream that's used by all the stars.

So take your next vacation in the brand new Frigid Air,
Learn to play the piano in your winter underwear.
Doctors say that babies should smoke 'til they are three,
And people over 65 should bathe in Lipton Tea
With flow through tea bags.....

Be Kind to Your Web-footed Friends

"Be kind to your web-footed friends,

Bugle Song

Someday I'm going to murder the bugler
Someday they're gonna find him dead
And then I'll take his revelry
And step upon it heavily
And then I'll spend the rest of my life in bed!

Oh how I hate to get up in the morning
Oh how I hate to get out of bed!
But the hardest call of all is to hear the bugler call:
"It's time to get up, It's time to get up, It's time to get up this morning"
"It's time to get up, It's time to get up, It's time to get out of bed."

Someday I'm going to murder the bugler
Someday they're gonna find him dead!
And then I'll get the other pup, the one that wakes the bugler up,
"You gotta get up, you gotta get up, you gotta get up this morning"
"You gotta get up, you gotta get up, you gotta get up this morn".

Bug Juice

(To the tune of 'On Top of Old Smokey)

At camp with the Girl Scouts, they gave us a drink.
We thought it was Koolaid, because it was pink.

But the thing that they told us, would have grossed out a moose
For that good tasting pink drink was really bug juice

It looked fresh and fruity, like tasty Koolaid
But the bugs that were in it, were murdered with raid.

We drank by the gallons, we drank by the tons
But then the next morning, we all had the runs

Next time you drink bug juice and a fly drives you mad,
He's just getting even, 'cause you swallowed his dad.

Charlie Chaplin

And this is what he taught them
One two and up you go (tap heel, toe, then raise knee)

Chiquita Bananna

I'm a *Chiquita* banana and I'm here to say
Bananas like to ripen in a certain way
When they are flecked with brown
And have a golden hue
Bananas taste the best and are the best for you
You can put them in a salad
Or bake them in pie
Any way you want eat them
It's impossible to beat them
But bananas like the climate of the tropical equator
So you should never put bananas
In the refrigerator!

Commercial Mix-Up
[tune: farmer in the dell]

Last night I watched TV, I saw my favorite show
I heard this strange commercial, and I can't believe it's so

Feed your dog Chiffon. Comet cures the cold.
Use S-O-S pads on your face to keep from looking old

Mop your floors with Crest. Use Crisco on your tile
Clean your teeth with Borateem, it leaves a shining smile

For headaches take some Certs. Use Tide to clean your face.
And do shampoo with Elmer's Glue, it holds your hair in place.

Perhaps I am confused, I might not have it right.
But one thing that I'm certain of, I'll watch TV tonight!

Cotton Candy Song

Oh take me back to the happy land

When I was four, I slammed the door, the day I went to sea...
When I was five, I danced a jive, the day I went to sea...
When I was six, I picked up sticks, the day I went to sea...
When I was seven, I went to heaven, the day I went to sea...
When I was eight, I was really late, the day I went to sea...
When I was nine I got in line, the day I went to sea...
When I was ten, I did it again, the day I went to sea...

"Gunk, gunk," went the both together,
And their eyes went whew whew whew,
As they kissed each other,
Just as little froggies do.

Georgie

Every morning at half past eight, I say nahnahnahnah to Georgie,
And every morning at half past eight, he says nahnahnahnah to me.
No need to knock, no need to ring, for as I wipe my eyes,
I open the window, pop out my head and say nahnahnahnah to Georgie!

Every morning at half past eight, I say nahnahnahnah to Georgie,
And every morning at half past eight, he says nahnahnahnah to me.
No need to knock, no need to ring, for as I wipe my eyes,

And nahnahnahnah says Georgie.

Girl One Day

A girl one day, she ran away to stay at a Girl Scout camp.
Each ringlet fair and left her hair,
Each curly curl went damp.
And there she washed the dishes, and there she scrubbed the floors...
Until one sunny day, while rowing in the bay,
She fell in all the way,
And she wrote home just to say:
"I've got cuts on my fingers, and bites on my toes
Sticks and stones to sleep on, and a red red sunburned nose.
But oh my dear family, I'm writing just to say,
I'm having such a jolly time at Tohi today!"

[Tune: Battle Hymn of the Republic]

As one white whale whipped over the waves, other white whale whipped under.

Glory, Glory I'm a Counselor

(Tune: Battle Hymn of Republic)

I've always been a Girl Scout
From the time that I was young.
I remember very fondly
All the camping, crafts, & fun.
I thought the work was over
When my Gold Award was done,
But I'd only just begun!

Chorus:

Glory, glory I'm a counselor!
A crazy, project planning leader.
I don't even have a daughter,
But now I have ten girls!

I went away to college
And I thought it awfully smart
Just taking on a job here,
at the camp that's really great.
Soon my major classwork
Took the form of Girl Scout crafts!
and building fires twice a week!

Chorus

The parents think I'm wonderful
Because I spend my days
Helping their girls learn & grow
In Girl Scout laws & ways.
I help them learn annoying songs
and let them play all day
But sometimes I just want out

Chorus:

Glory, Glory I'm a counselor!
A proud, exhausted, well-loved leader!
I don't even have a daughter,
But I've gotten to know some darn fine girls.

Growing up in Girl Scouts

- Daisy
-
- I've something in my pocket ...
- That's what the big girls say.
- I'll have a pocket of my own,
- When I wear brown someday.
-
- My life is bright and easy,
- I smile most of the day.
- I'm having lots of fun now,
- I sing and laugh and play!
-
- Junior
-
- I've something in my pocket ...
- That's what I used to say.
- I spent my time so aimlessly,
- At home, at school, at play.
-
- Now every day is special,
- I'm searching, who am I?
- Only I can find that out
- Please let me have a try!
-
- Cadette
-
- I've something in my pocket ...
- That's what I used to say.
- Playing childhood games with friends,
- Seems just like yesterday.
-
- I'm becoming a young woman,
- Soon I'll be a child no more,
- There's lots of opportunity,
- And so much to explore.
-
- Senior
-
- I've something in my pocket ...
- That's what I used to say.
- Then Mother Nature waved her hand
- And childhood flew away.
-
- Today my needs are different,
- I wonder, 'What will be?'
- I'm making life decisions now,
- The choice is up to me.

Hippopotamus Song

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not a party with a paper hat.
Or cake and candy that will make him fat.
That's not what hippos do!

They ooze in the gooze without any shoes.
They wade in the water 'til their lips turn blue.
That's what hippos do!

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not the song on the old violin.
Or listenin' to the whistlin' wind.
That's not what hippos do!

They ooze in the gooze without any shoes.
They wade in the water 'til their lips turn blue.
That's what hippos do!

I'm a Camper

(Tune: Battle Hymn of the Republic)

I am glad to be a girl because I thought girls had more fun
I like pink lace and ruffles, dresses, frilly bows and fun.
I like to sit and talk at night when the day is done,
So I went to girl Scout camp.

I am only half past seven and they called me to the fore.
I said "I'm not equipped" They said "Oh, yes you are, what's more;
We'll train you in the basics, we'll outfit you for the corps"
Why couldn't I have stayed home instead?

Glory, Glory I'm a camper
How'd I get to be a camper?
All I did was join the Girl Scouts.
Is this the price I pay?

They taught me to be thrifty, to be thoughtful, to be true.
They taught me how to string beads like the noble Indians do.
I had to learn to dig a trench, and how to use it too.
And you should taste my stew!

I had to learn to sing songs that I didn't understand.
I learned to dance the polka and to make a rhythm band.

To think of what to do and then forget what I had planned.
And they say that Scouting's grand.

Chorus

We went walking in the woodlands, my buddies 3 and me.
The handbook says that nature has a wealth of sights to see.
It's true we sure were sights when we were found eventually,
Mommy won't you come get me.

I'm not meant to be a camper, I don't know which bird is which.
My weiner fork's all burned up, we come home from hikes and itch.
My sit-upon it fell apart, I made it the wrong stitch,
But I guess I'm stuck at camp

Chorus

But even though I grumble and I mumble and I shout.
Though there are days I wonder what's the best way to get out.
I guess when all is said and done, there isn't any doubt.
I'm glad to be a Scout! (Chorus)

I'm a Nut:

I'm a little acorn round,
Lying on the cold cold ground,
Somebody came and stepped on me,
That is why I'm cracked you see,
I'm a nut,(clap, clap) in a rut,(clap, clap) I'm crazy.
Called myself on the telephone,
Just to see if I was home,
Asked myself out for a date,
Gotta be ready by half past eight!
I'm a nut,(clap, clap) in a rut,(clap, clap) I'm crazy.
Took myself to the picture show,
Sat myself in the very first row,
Wrapped my arms around my waist,
Got so fresh I slapped my face!
I'm a nut,(clap, clap) in a rut,(clap, clap) I'm crazy.

Little Blue Man

One morning while I was out shopping
Though you'll find it hard to believe
A little blue man came out of the crowd
And timidly tugged at my sleeve

Chorus: "I wuv you. I wuv you," said the little blue man.

"I wuv you. I wuv you to bits."

"I wuv you. I wuv you," said the little blue man,

And he scared me right out of my wits.

I hurried back to my apartment.
I rushed in and I closed the door,

But there on the desk stood that little blue man
Who started to tell me once more... (Chorus)

For weeks after that I was haunted.
Though no one could see him but me,
Right there by my side was that little blue man
Wherever I happened to be... (Chorus)

One morning in wild desperation
I ran to a rooftop in town
And over the side, I pushed that little blue man
Who called to me all the way down (Chorus)

I whispered, 'Thank goodness it's over!'
I smiled as I hurried outside.
Right there on the street was that little blue man
Who said with a tear in his eye
I don't wuv you anymore.

Little Canoe

Oh a boy and a girl in a little canoe
With the moon shining all around.
They paddled and paddled for miles and miles
Couldn't even hear a sound
And they talked and they talked till the moon grew dim
She said, "You better kiss me or get out and swim"
So what you gonna do in a little canoe
With the moon shining all around?

Oh, a boy and a girl in a little canoe
With the moon shining all around
They paddled and paddled for miles and miles
You couldn't hear a sound
And they talked and they talked till the moon grew dim
She said, "You better kiss me or get out and swim"
So what you gonna do in a little canoe
With the moon shining all a-
Boy swimming all a-
Girl paddling all around

My soda straw (Repeat)

Sing all together for each verse:
The littlest worm I ever saw. Got stuck inside my soda straw.

He said to me; Don't take a sip
For if you do; You'll surely flip

I took a sip; And he went down
Right through my pipes; He must have drowned

I coughed him up; And he was dead
So I buried him; In my counselor's bed

He was my pal; He was my friend
But now he's gone; And that's the end

Make New Friends

Itsy, bitsy, fuzzy, wuzzy worms.

First you get a bucket,
Then you get a shovel,
Oh how they wiggle and squirm.

First you pull the heads off,
Then you suck th guts out.
Oh how they wiggle and squirm.

Down goes the first one,
Down goes the second one,
Oh how they wiggle and squirm.

Up comes the first one,
Up comes the second one,
Oh how they wiggle and squirm.

Squeeze out their juice,
And throw their tails away.

Porridge Tragedy

(to the tune of Clementine)

In a camp down in the country
Dwelt some Guides (Scouts) on holiday.
23 there were in number
Quite enough to take away.

In the camp, there was a Girl Guide
Who was like most little girls.
She was either up to mischief
Or was kicking up a noise.

Rose she early every morning
At precisely half past four,
Then she's go out and shout her war cries
Far too near the Guider's (Counselor's) door.

Then the Guider (Counselor), then the Guider (Counselor),
Soon began to jump and roar.
Just because that silly Girl Guide (Scout)
Wouldn't let her be and snore.

So she made the early riser
Take the porridge spoon and stir
First explaining how to do it
Lest an accident occur.

Then the Girl Guide (Scout), very anxious

Thought the porridge she could smell.
Put her head into the dixie,
Lost her balance, in she fell.

Saw her head above the porridge
She was looking mighty red.
How she wished that she'd kept silent,
And kept to her little bed.

When the Guides (scouts) went down for breakfast,
There were only 22.
Though the Guider (counselor) called it porridge
They all thought that it was stew.

All you Girl Guides (Scouts), old and youthful,
Bear in mind this story sad.
Never spoil your Guider's (Counselor) slumber.
Lest your fate should be as bad.

The Rooster Song

We had some hens, no eggs would they lay,
We had some hens, no eggs would they lay.
My spouse said, "Honey, this isn't funny.
We're losing money." No eggs would they lay.
One day a rooster came into our yard,
He caught those hens right off of their guard.

They're laying eggs now, just like they use ta,
Ever since that rooster came into our yard.
They're laying eggs now, just like they use ta,
Ever since that rooster came into our yard.

We had a cow, no milk would she give, [Repeat.]
My spouse said, "Honey, this isn't funny.
We're losing money." No milk would she give.
One that rooster came into our yard,
He caught the cow right off of her guard.

She giving eggnog, that's more than she use ta,
Ever since that rooster came into our yard.
She giving eggnog, that's more than she use ta,
Ever since that rooster came into our yard.

We had a field, no crops would it grow We're raising eggplant

Me and my wife, no kids did we have We're raising egg heads

We had a gum machine, no gum would it give We're get-ting chiclets

We had a garden, no flowers would it grow We're growing chickweed

We had some fish, but they wouldn't grow...We're raising tuna, it's the chicken of the sea

We had a car, but it wouldn't run We have a yolkswagen

We had a army, no battles did we win We're getting shelled now

Rose

Rose, rose, rose rose
Will I ever see thee wed?
I will marry at my will, sire
At my will

Ding dong, ding dong
Wedding bells on an April morn
Carve my name in a moss covered stone, sire
Moss covered stone

Tohikanee,
You have shared your gifts with me,
Laughter, friendship and adventure
We love you so.

Sewer Song

Refrain: Oh, we sing this song about sewers
About sewers we sing this song
Together we stand, with shovels in our hands
To keep things moving along

Work all year at this here job,
They don't hire just any old slob.
You don't need to wear a tie or a coat,
All you gotta do is know how to float

Refrain

Work all day with a guy named Bruce,
He takes care of all the refuse
He lets me go in first when he opens the lid
Gee, that Bruce is a mighty fine kid!

Refrain

Bruce got lost the other day,
The tide came in, and swept him away
Bruce is down in Jersey now,
But that's where he's from anyhow!

Side By Side

Oh, we ain't got a barrel of money,
Maybe we're ragged and funny,
But we'll travel along,
singing a song side by side.

Don't know what's coming tomorrow,
Maybe it's trouble and sorrow,
But we'll travel the road,
Sharing our load side by side

Through all kinds of weather,
What if the sky should fall?
Just as long as we're together,
It doesn't matter, matter at all.

When they've all had their troubles and parted,
We'll be the same as we started,
Just trav'ling along,
singing our song side by side

Skeeters And The Bedbugs

I woke up Sunday morning and I looked up on the wall,
The skeeters and the bedbugs, were playin a game of ball
The score was 19-20, and the skeeters were ahead
The bedbugs hit a homerun, and knocked me out of bed.

I'm singing, eeny, meeny meeny, miny moe
Catch a wiffle waffer, by the toe
And if he hollars, hollars, hollars,
Let him go, I'm singing, eeny, meeny, meeny, miny moe

Squeegie Hunt

Audience echos each line and sets up clap/lap-slapping rhythm.

Goin' on a squeegie hunt.
Goin to catch a big one.
I'm not afraid.
Look, what's up ahead?
Mud!
Can't go over it.
Can't go under it.
Can't go around it.
Gotta go through it. [Make sloshing sounds and move hands as if slogging.]

Sticks. [Snap fingers.]

Tree. [Make gestures climbing up and down.]

Gate. [Make gate-opening gestures.]
River. [make swimming gestures.]
Cave. [Go in it and find squeegee. Reverse all motions quickly to get home.]

The Coming of the Frogs (To the tune of the Battle Hymn of the Republic)

Mine eyes have seen the horror of the coming of the frogs,
They are sneaking through the swamps and they are lurking under logs
You can hear their mournful croaking through the early morning fogs,
The frogs keep hopping on.

Chorus: Ribbit, Ribbit, Ribbit, Croak, Croak,
Ribbit, Ribbit, Ribbit, Croak, Croak,
Ribbit, Ribbit, Ribbit, Croak, Croak,
The frogs keep hopping on.

The frogs have grown in number and their croaking fills the air,
There's no place to escape to cos' the frogs are everywhere,
They've eaten all the flies so now they're as hungry as a bear,
The frogs keep hopping on.

Chorus.....

I used to like the bullfrogs, liked to feel their slimy skin,
Liked to put them in my teacher's desk then take them home again.
Now they're knocking at the front door,
I can't let those frogs come in,
The frogs keep hopping on.

Chorus.....

They've hopped into the living room and headed down the hall,
They've trapped me in a corner and my back's against the wall,
And when I open up my mouth to give a desperate call,
This is all that's heard:

Chorus.....

Trustee Lee (to the tune of Yankee Doodle)

Trusty Lee was a Girl Scout
Loyal to her mother,
Helpful to the folks about,
And Friendly to her brother.
Courteous to the girls she knew,
Kind unto her rabbit,
Obedient to her father, too,
and Cheerful in her habits.
Thrifty saving for a need,
Brave, but not a faker,
Clean in thought and word and deed,
And Reverent to her Maker

The Princess Pat:

(This is a repeat song)

The Princess Pat,
Lived in a tree,
She sailed across,
The seven seas,
She sailed across,
The Channel Two,
And she took with her,
A Rigabamboo.

A Rigabamboo,
Now what is that?
It's something made,
By the Princess Pat,
It's red and gold,
And purple too,
That's why it's called,
A Rigabamboo.

Now Captain Jack,
Had a mighty fine crew,
He sailed across,
The Channel Two,
But his ship sank,
And yours will too,

If you don't take,
A Rigabamboo.

A Rigabamboo,
Now what is that?
It's something made,
By the Princess Pat,
It's red and gold,
And purple too,
Thats why it's called,
A Rigabamboo.

But Princess Pat
Saw Captain Jack
She reeled him in
She brought him back
She saved his life
And his crew too
Do you know how?
With A Rigabamboo.

A Rigabamboo,
Now what is that?
It's something made,
By the Princess Pat,
It's red and gold,
And purple too,
Thats why it's caaaaalled,
A Rigabamboo.

WHAT A STORY! (to the tune of the Battle Hymn of the republic)

It was midnight on the ocean,
Not a streetcar was in sight;
While the sun was shining brightly,
For it had rained all the night.
'Twas a summer's day in Winter,
And the rain was snowing fast,
As the barefoot girl with shoes on
Stood there sitting in the grass.

Glory, glory, what a story!
Glory, glory, tell me more-ee!
Glory, glory, she'll be sorry!
As the barefoot girl with shoes on
Stood there sitting in the grass.

It was evening and the sunrise
Was just setting in the west;
And the fishes in the treetops
Were all cuddled in their nests.
As the wind was blowing bubbles,
Lightning shot from left to right;
Everything that you could see
Had been hidden out of sight.

Glory, glory, I can't find it!
Glory, glory, who's behind it?
Glory, glory, where'd they hide it?
Everything that you could see
Had been hidden out of sight!

While the organ peeled potatoes,
Lard was rendered by the choir;
When the sexton rang the dishrag,
Someone set the church on fire.
"Holy Smokes!" the preacher shouted,
As he madly tore his hair,
Now his head resembles heaven,
For there is no parting there.

Glory, glory, what a shiny dome!
Glory, glory, get that man a comb!
Glory, glory, that's the end of my poem!
Now his head resembles heaven,
For there is no parting there.

Wormy aka Hermy aka Skipping Home from School

(This is a repeat song and a doosa dooz song...only LOUDER!!!)

The next day
I was skipping home from school, skipping home from school, skipping home from school
And there was mommy and there was daddy and there was sister and there was brother
And there was Hermy the family pet
And he was this big (hold up thumb and first finger)
So anyway

The next day
I was skipping home from school, skipping home from school, skipping home from school
And there was mommy, and there was daddy, and there was sister and....WHERE'S
BROTHER???!
And there was Hermy! The family pet!
And he was THIS BIG! (hold hands up, a bit apart)
IT MADE ME SO ANGRY!!!
So anyway

The next day
I was skipping home from school, skipping home from school, skipping home from school
And there was mommy, and there was daddy and there was....WHERE'S SISTER???!
And there was Hermy! The family pet!
And he was THIS BIG!!! (Hold hands up farther apart)
IT MADE ME SO ANGRY!!!
So anyway

The next day

I was skipping home from school, skipping home from school, skipping home from school
And there was mommy and there was...WHERE'S DADDY??!!
And there was Hermy, the family pet!
And he was THIS BIG!! (Further apart)
IT MADE ME SO ANGRY!!!
So anyway

The next day

I was skipping home from school, skipping home from school, skipping home from school
And there was....WHERE'S MOMMY??!!
And there was Hermy, the family pet!
And he was THIS BIG!!! (hands as far apart as possible)
IT MADE ME SO ANGRY!!!
So anyway

The next day

I was skipping home from school, skipping home from school, skipping home from school
And there was Hermy, the family pet
And he said: BLEH!
And there was mommy, and there was daddy and there was sister and there was brother
And there was Hermy the family pet
And he was this big (hold fingers apart again, just as in the first verse)
IT MADE ME SO HAPPY!!!!
