

Dear Camp Addisone Boyce Families,

Due to today's (Sunday's) storms and heavy rains, we have made the difficult decision to close the camp for all sessions on Monday, July 10, 2023. The storm is causing extreme flooding throughout the council's geographic area, particularly in Rockland and Orange Counties, and many roads leading to camp are currently impassible.

We apologize for the late notice and the inconvenience. We will provide another update on Monday, 7/10, when we are able to assess the impact of the storm and the condition of the camp after the storm passes. We will also be in touch with the affected families about obtaining credit for the missed day.

We look forward to seeing your campers later this week!

Below are photos taken by CAB's camp ranger of the impact today's storm has had on the camp's roads and lake.
