Let's get started...

# Ice Cream Social Basics

I scream, you scream, we all scream for ICE CREAM!  
Let's start with your Ice Cream Social basics...

Who?

Who will be invited to the event – older girls, younger girls, mixed age groups? Be sure to send out invites and post on social media for the best outcome!

When?

Be sure to pick a time and day that works best for everyone. Keep in mind this event should be adjusted to work for your troops. Will this be a day event with drop off and pick up? Are families invited?

Where?

Where will you host the event? Your meeting place, your local church, a park, or an ice cream shop? They are so many options. Just remember to submit a TANP should the event take place out of your troop meeting place.

What?

What supplies will you need and what activities will take place? What toppings will you buy? Will you ask each troop to contribute a different flavor of ice cream? Be sure to check out our tips and activities provided in this guide!

How?

How will you keep this girl led? Will you ask girls what activities they are interested in before hand? Will you have non-dairy options? Will you customize this event to the time of year? The possibilities are endless!

# Ice Cream Social Resources:

## Earn a Fun Patch:

Grab one of these patches so your scouts can remember this epic party! All patches can be purchased online at <https://www.girlscouts.org/> or by calling your local GSHH shop.

## Use Local Resources:

There are so many local resources at your disposal! Use them wisely. Many Ice Cream shops offer entrepreneur and financial literacy opportunities to Girl Scouts. All you have to do is call and ask!

Girl Scouts are natural leaders and entrepreneurs—they have the interest and the aptitude to find creative solutions, help their communities, and try new things. Reach out to local ice cream shops in your community. Many are willing to give Girl Scouts a tour of the shop, explain money management, give entrepreneur advice, and may even let the girls serve the ice cream!

\*Note: Any event or meeting outside of your usual meeting place requires a Trip Activity Notification Packet submitted to your Service Unit Manager and Council for trip approval.

# Ice Cream Social Shopping List:

To make it easy for you, we've put together a shopping list of everything you will need to host your first ice cream social. There are many stores with affordable ice cream supplies, fill your basket, and soon enough you'll have everything you need. Consider it an ice cream social delivered to you! Please keep in mind this shopping list is optional, and meant to provide inspiration.

# Ice Cream Social Games:

Games are always a great way to get everyone involved and laughing, no matter what the age level. And what goes better with ice cream than games? Here are a few fun ice cream themed games and activities that will be sure to make your ice cream social epic!

## Musical Sundaes

Set up a sundae bar with all the toppings and let the scouts take turns being the "sundae chef". Play some music and they can begin making their ice cream sundae. They will need to be quick creating their sundae masterpiece as when the music stops their turn will be over.

## Ice Cream Sundae Scavenger Hunt

Hide all of the makings of an ice cream sundae (bowls, spoons, toppings, sauces and mix-ins, ice cream scoop) around the party space (except, of course, for the ice cream, which would melt if not kept in the freezer). Give the scouts a list of the items you have hidden and send them on a hunt for the makings of their sundae. When they return with their findings, they get to make their own sundaes.

## Cherry on a Spoon Race

Like the traditional egg on a spoon race, scouts must race to carry a cherry, on a sundae spoon, from one spot to another without dropping it. If someone drops the cherry, they must go back and start again.

# Ice Cream Social Activities:

Who doesn't love a themed activity? Especially when it involves coloring! Better yet- encourages scouts to use their creativity as they use they build friendships. Here are a few custom GSHH ice cream themed activities that will make this ice cream social memorable.

## Ice Cream Cone Coloring Sheet

We've created a fun ice cream coloring page that will surely be a hit! This is the perfect icebreaker activity for all ages, and the girls can take it home. All you need are crayons and some imagination. \* Coloring Sheet is included in this packet\*

## Ice Cream Activity Sheet

We love nostalgic games and were sure your girls will too! In our custom activity sheet we've included a word search, maze puzzle, tic tac toe, along with the GS Law and Promise \* Activity Sheet is included in this packet\*

## Make it a Game Night

Everyone loves a good board game. Friends and family can gather rain or shine to play a favorite classic or try out something new. Board games can make you laugh, make you think, and they always lead to a great time. This is another fun and simple activity we recommend. Ask each troop to bring a board game to this event and have a blast!

# ICE CREAM TIME!

## Girl Scout Law

I will do my best to be  
honest and fair,  
friendly and helpful,  
considerate and caring,  
courageous and strong, and  
responsible for what I say and do,  
and to respect myself and others,  
respect authority, use resources wisely,  
make the world a better place, and be a  
sister to every Girl Scout.

## WORD SEARCH

- CONE
- FUDGE
- CHERRY
- SORBET
- ICE CREAM
- SPRINKLES

CAN YOU HELP THE CHERRY FIND  
THE ICE CREAM CONE?

## Girl Scout Promise

On my honor I will try:  
To serve God and my country,  
To help people at all times,  
And to live by the Girl Scout Law.
