Dear Friend of Girl Scouting,

DISCOVER! As Girl Scouts Heart of the Hudson enters its third year of existence, girls of courage, confidence and character are experiencing success in their discovery of all that is available to them. Girl Scouts from Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster and Westchester are travelling across county lines to discover boundless opportunities. Girl Scouts Heart of the Hudson, serving the seven counties of the lower Hudson Valley, is on the move: crossing bridges, expanding horizons, making friends and discovering new ways to make the world a better place.

CONNECT! As a local business partner, you know first-hand how critical transformative positive programs can be in a girl's life. We are listening to our girls and we know they need the help and support of their community's business connections. As a council, we connect with troop leaders/advisors and their girls to provide the stability and support required to deliver the important programs our girls are asking for and need; programs that will help them develop the tools and skills to be tomorrow's leaders. We are proud of our leadership development programs and programs that interest and inspire girls to make a difference. Our communities, from senior centers to elementary schools, are better because of the presence of Girl Scouts.

TAKE ACTION! We are unrelenting in our support of the 32,000 girls and 15,000 local community volunteers we serve. Today, I am asking you to invest your charitable dollars back into your community by supporting Girl Scouts. Your gift will help ensure that our girls can have a positive impact on our area both now and in the future. **Remember, 100% of your donation goes directly into meaningful programs and financial assistance for local Girl Scouts.** Our girls look to us for leadership and growth. Our girls' past successes show us that Girl Scouting helps them make a stand based on moral strength and integrity. Their future success depends on your generous donation to help our council do its work. Your contributions are vital and necessary, so again, I ask you to **TAKE ACTION!** Invest in Girl Scouts today. **THANK YOU!!**

With appreciation,

Girl Scout Volunteer
