

Girl Scouts Heart of the Hudson Birthday Club

The "Birthday Club" is designed to help families celebrate each registered girl's birthday during the month they were born. After registering, each girl will receive a "Birthday Coupon" good for **5% OFF one purchase** in any one of our five Council Shops during their birthday month.

A **special "Birthday Club" patch** will be given to those who come in to make a purchase.

You can mail or fax your registration to the nearest Heart of the Hudson council shop to register.
