Describe previous reactions:

Diet, Nutrition: Eats a regular diet. This camper eats a regular vegetarian diet.

This camper has special food needs. (Please describe below.)

Restrictions: I have reviewed the program and activities of the camp and feel the camper can participate without restrictions.

I have reviewed the program and activities of the camp and feel the camper can participate with the following restrictions or adaptations. (Please describe below.)

Is the participant covered by family medical/hospital/prescription insurance? 0 Yes 0 No

Photocopy of front and back of all health insurance cards must be attached to this form.

This health history is correct and accurately reflects the health status of the camper to whom it pertains. The person described has my permission to engage in all prescribed camp activities, except as noted by me and/or a physician. I give permission to the physician selected by the camp and/or his designated associates to order x-rays, routine tests, and treatment related to the health of my child for both routine health care and in emergency situations. If I cannot be reached in an emergency, I give my permission to the physician to hospitalize, secure proper treatment for, and order injection, anesthesia, or surgery for this child. I understand the information on this form will be shared on a "need to know" basis with camp staff. In addition, the camp has permission to obtain a copy of my child's health record from providers who treat my child and these providers may talk with the program's staff about my child's health status. I agree to the release of any records necessary for treatment, referral, billing, or insurance purposes. I give permission to the camp to arrange necessary related transportation for my child. This completed form may be photocopied for trips out of camp.
