Golf For Girl Scouts

Today, as when founded in 1912, Girl Scouting helps cultivate values, social conscience and self-esteem in girls, while also teaching them critical life skills that will enable them to succeed as adults.

Girl Scouting builds girls of courage, confidence and character, who make the world a better place. Headquartered in Pleasantville, Girl Scouts Heart of the Hudson serves 49,000 girl and adult members. One out of every five girls throughout the council's seven-county jurisdiction benefits from the Girl Scout program. Proceeds from this golf outing help fund programs and services to girls throughout our communities focusing on leadership, self-esteem, sports, health and fitness.

The Golf Club at Mansion Ridge, Monroe NY

The Golf Club at Mansion Ridge located in Monroe, New York, mansion Ridge is an 18-hole Jack Nicklaus Signature golf facility. Jack's signature means he walked every fairway landing area and green to make sure the course met his demanding standards.

The result is a diverse and challenging layout ranging in styles from links to traditionally wooded, to rocky and rugged. From the back tees at 6,889 yards, Mansion Ridge boasts a stern course rating of 142. Yet the course sets up wonderfully from each of the five sets of tees, providing a fair test to players of all skill levels. After your round relax in our charming 12,000-square foot clubhouse.
