# Together, we can empower girls to reach their fullest potential.

Girl Scouts Heart of the Hudson serves 26,000 girls in seven counties in the lower Hudson Valley of NY with diverse backgrounds, interests and experiences.

This year, more than ever, our girls need your support. Research shows that girls learn best in an all-girl, girl-led, and girl-friendly environment. The inclusive, all-female atmosphere of a Girl Scout troop creates a safe space where girls can try new things, develop a range of skills, take on leadership roles, and just be themselves! Join us in helping every girl in our community dream bigger than she ever imagined.

## DID YOU KNOW?

The \$25 yearly Membership Dues go directly to Girl Scouts of the USA

Council costs include Camp & facility maintenance, adult trainings & program expenses

When our members support Girl Scouts, corporations & foundations are more likely to support Girl Scouts

Troop Dues are determined by each troop and vary in amount & frequency, but don't support GSHH!

***This is where we need your help!***

The Fund Her Success Campaign is an opportunity for families and friends of GSHH to make a financial contribution directly benefiting our girls. As a member of our Girl Scout family, you know how important Girl Scouting is to our girls, their families, and their communities. Girls need a place where they can just be girls — having fun, making friends, and feeling safe. Girl Scouting provides girls with the skills to face daily challenges and make sound decisions that affect them today and in the future.

We know you consider carefully when you make a charitable gift. Please know that you are contributing to the premier organization with a powerful voice for the development of young women in our community. Your personal gift of \$25, \$50, or the amount you can best afford provides valuable dollars which allow us to offer more programs, create better program and camping facilities, and reach more girls than ever before. You witness firsthand the positive influence Girl Scouting has on the lives of girls. Not only is your family enriched, but your community is improved as well. Girl Scouts provide hundreds of hours of community service throughout their scouting experience.

So please, invest in girls, and help them change the world because:

**At Girl Scouts Heart of the Hudson, we firmly believe every girl deserves a chance to unleash her inner**
