Each girl will have three rows on the page. One is the order card row which allows you to do data entry for the order card order from the girl. The next row is the DOC Girl Del. row which is not editable. These are girl delivery orders, approved by the parent and sent from Digital Cookie to eBudde. These orders match the girl delivery approved orders in Digital Cookie. The last row is a total of the Order Card and DOC Girl Del. rows. These are the cookies that will be distributed to the girl during the initial order delivery.

Helpful Hints

1. Bring people to help, but remember, people take up room just like cookies, so adjust the number of vehicles accordingly.
2. Every effort will be made to respect your delivery time. But sometimes it's not possible to have everyone pickup at their exact time.

Please be patient. We're all here to have fun and get the cookies!

After you select where you want to go to pick up your cookies you then need to go to the Rewards Tab and submit your troops reward order.
