

A conversation jar is a great way to break the ice and get to know one another whether you are meeting again after a long break or starting a new troop! To complete the patch, give each girl a mason jar, plastic jar, bowl or box with craft supplies to decorate. Girls can pick a question out of the jar to ask their sister girl scouts to get to know one another! Girls can bring their conversation game home to play with family or friends. To do this activity **virtually**, send each girl this sheet. Have them cut and fold each question and place in a box, jar or bowl. Each girl can pick a question to ask another troop member during a virtual meeting.
