

I want to nominate a volunteer or group of volunteers to be recognized. Which award should I choose?

If the volunteer's impact was related to Girl Scout historical preservation, we recommend consideration for the Anne Hyde Choate Award. If the impact was on global Girl Scouting, we recommend consideration for the Juliette Gordon Low World Friendship Medal. If you wish to recognize a team or committee for their outstanding service, we recommend consideration for the President's Award. For all other service, see below.
