Hudson, Inc.  
2021-2022  
Girl Advisory Team***

# Meet the Team

Monica  
Lapman

Monica Lapman is 14 years old and has been with the Girl Scout Heart of the Hudson organization for 10 years in Troop 1326. She is an intelligent and powerful leader that has done many great things within her community, such as Relay for Life, the Linus project and food drives to name a few. Monica has been playing piano for five years and of course “The Piano Man” is her favorite artist. She also enjoys painting watercolor landscapes and studying ballet. She is a member of the National Junior Honors Society, has completed both her Bronze and Silver Girl Scout awards and hopes to go for Gold as well. Joining the Advisory team means a lot to her and wants to be able to make a difference in the Girl Scout community by helping other girl scouts discover themselves through their experience of being in Girl Scouts.

# Meet the Team

**Ebahi  
Adubor**

My name is Ebahi Adubor. I am an Ambassador Girl Scout in Troop 1871, in my Junior year of High School. I have been a Girl Scout for nine years and I am very involved in my Girl Scout and school community. I am part of my school's Peer Ministry Program, a mentee in the GSHH & PepsiCo Million Women Mentor STEM Program, a member of the Girl Advisory Team, and other extracurricular activities. I completed my Silver Award in 2019 called "Artistic Artistry". This was a great opportunity for me to gain the necessary leadership, fundraising, and communication skills that are required for this Girl Advisory Team. I created an art program which enhanced kids' artistic abilities to draw and express themselves. Throughout my life, I have accomplished many goals and modeled myself to be an example to younger girls in my community.

# Meet the Team

Ofure  
Adubor

My name is Ofure Adubor and I have been a part of the Girl Scouts Heart of the Hudson for 9 years. I am a part of Troop 1871 and I am an Ambassador in Girl Scouts. This is my first year being a member of the Girl Scout Advisory Team and I am looking forward to planning events and making an impact in the Girl Scout Community. In addition to being a member of the Girl Advisory Team, I am also a mentee of the “Million Women Mentors Stem Program”. These two programs embody my dedication to Girl Scouts and STEM as I aspire to be actively involved in the Girl Scout Community while pursuing a future in medicine. I successfully completed my Girl Scout Silver Award in 2019 for “Artistic Artistry” and I am currently working towards completing my Girl Scout Gold Award next year. Aside from being a part of Girl Scouts, I am extremely involved in my school community as I am a part of my schools Track and Field Team, Black Essence Club, Feminism Club, Engineering Club, Medical Club, and Model U.N. Club. These activities have provided me with the necessary leadership and management skills that I need in order to efficiently contribute to the Girl Scout Advisory Team. Overall, I hope to effectively utilize my passion for Girl Scouts as I progress on this journey.

# Meet the Team

Kate  
Pogge

My name is Kate Pogge and I am a 16 year old Senior Girl Scout with troop 10285. This is my first year on the Advisory Team, and I am looking forward to planning and participating in many events for older girl scouts. I have completed my Bronze award by making birthday bags for the Fishkill Food Pantry, and I have also completed my Silver award working with Sparrows Nest making T-Shirt bags with either games for children whose relatives have cancer or for patients with cancer themselves. My troop and I enjoy volunteering at service unit events, such as recruitment, the pajama party, world thinking day, and the end of year picnic. I play the flute in several ensembles, and I am a member of the Math Honors Society and the French Honors Society. I am also a member of my school's Robotics Team, Drama Club doing lighting, Interact, Book Club, Debate Team, and Math Team. I enjoy camping with my fellow girl scouts, and I love to read, craft, and pet my cats.

# Meet the Team

Molly  
McGarity

Hi! I'm Molly McGarity, a Girl Scout Ambassador from troop 40493 and senior in high school. I have been an active member of Girl Scouts since kindergarten, making this year my 13th year! I am so excited to be a part of the first Girl Advisory team! I am looking forward to working with my Girl Scout sisters to plan events and make Girl Scouts even better for older girls. In November 2021 I earned my Girl Scout Gold Award with my project Nurturing Nature Knowledge. My project focused on environmental and nature education for kids. I ran more than 25 virtual nature badge programs, created and implemented a nature education program and put together and distributed a booklet of the program curriculum. I am a volunteer with a local brownie troop and love working with younger Girl Scouts. I have been a member of the Girl Scouts Heart of the Hudson canoe team, the Kamikaze Kanoers, since 2017 and will be the captain for this year's season. Outside of Girl Scouts I am the vice president of my school's Marine Science Club and a member of the Rockland County CCE 4-H Youth for Climate Action program. In my free time, I like to cook, listen to music and spend time with my friends. I will be attending the SUNY College of Environmental Science and Forestry in the fall of 2022 as an environmental education and interpretation major. I hope to work in environmental education when I am older, a passion that I found through Girl Scouts and Camp Addisone Boyce!

# Meet the Team

Saumya  
Sawant

“My name is Saumya Sawant. I’m a 15-year old Senior GirlScout with Troop 2552 and this is my first-year as a member of the Girls Advisory Team. I earned my Silver Award in June of 2020 for my Medical Emergency Preparedness (MEP) project and am currently working on my Gold Award. My hobbies include playing field hockey, piano, and in my free time, I love to write, sketch, listen to music, and watch YouTube videos.”
