

We are Girl Scouts Heart of the Hudson (GSHH) - a 501(c)(3) organization that is approximately 31,000 strong- more than 21,000 girls and 10,000 adults who believe in the power of every G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)[™] to change the world. Our extraordinary journey began more than 100 years ago with the original G.I.R.L., Juliette Gordon “Daisy” Low. On March 12, 1912, in Savannah, Georgia, she organized the very first Girl Scout troop, and every year since, we have honored her vision and legacy of building girls of courage, confidence, and character who make the world a better place. We are the preeminent leadership development organization for girls, and with programs across seven counties, we offer every girl a chance to practice a lifetime of leadership, adventure, and success.

One of the best ways for you to positively affect the life of a girl is to become a member of the GSHH Board of Directors. The Board strives to support and promote excellence in board service and is pivotal to our Girl Scout team. Each Director serves as a representative for girls across GSHH. The Board of Directors is comprised of leaders from the non-profit and for-profit sectors who are dedicated to GSHH’s mission.

Our Board of Directors champion the importance of exceptional board leadership and believes that each and every organization needs a strong and effective board to fully realize its potential for good. In addition to standard roles and responsibilities, our Directors are active advocates and ambassadors for GSHH and are fully engaged in identifying and securing the financial resources and partnerships necessary for GSHH to advance its mission.
