Subject: Discover the magic at Girl Scouts!

Hi [NAME],

I don't know about you, but I'm so ready to get my girl back into having fun, making friends, and simply being a kid.

Girl Scouts has been such a bright spot in our lives—it's fascinating to see how much the kids grow and all the skills they learn. Honestly, though, it's the special friendships and supportive sisterhood that make Girl Scouting so unique.

Plus, it's fun, which almost feels like a foreign concept after the last year. The joy and purpose this has given her means everything to me.

I think your family would love Girl Scouts too. You can see for yourself what it's all about at one of Girl Scouts Heart of the Hudson's [upcoming events](#). I bet you'll be surprised by how much our girls can do through Girl Scouts! If I've sparked your interest, you can visit girlscoutshh.org to learn more.

And, of course, I'm always here to answer any questions you might have. Talk soon!
