

Important Update to Direct Ship Orders in Digital Cookie

Dear Members of Girl Scouts Heart of the Hudson, Inc.,

We are excited to move into the next phase of GSHH's 2023 Girl Scout Cookie Season on Monday, February 27th, with the opening of Digital Cookie for shipped orders and for the new Raspberry Rally to be available to order.

GSHH's baker partner, Little Brownie Bakers, has faced staffing and ingredient supply challenges this season. While they have worked hard to keep up with their baking schedule, LBB informed GSHH this afternoon that, unfortunately, they will be shutting off two Girl Scout Cookie varieties, Samoas® and Toffee-tastic® when direct shipping opens on Monday, 2/27.

- Samoas® will not be available* on Digital Cookie as a direct ship option for a period of time. At this time, GSHH does not know when Samoas® will be available again, but will communicate that timeline when we have more information.
- Toffee-tastic® will not be available* for Digital Cookie as a direct ship option this season.

*Please note: this applies to direct ship orders only. Samoas and Toffee-tastic will be available for girl delivery and for booth sales as inventory allows.

We apologize for the inconvenience and disappointment this may cause you or your customers. As we hear more information from LBB and GSUSA, we will relay it to you.

If you have any questions, please contact Member Care at membercare@girlscoutshh.org.

Yours in Girl Scouting,
Girl Scouts Heart of the Hudson, Inc.
