

Dear Girl Scout Family:

Everybody loves Girl Scout cookies! They practically sell themselves because there's a Girl Scout standing behind them. One of the great experiences in Girl Scouting is the opportunity to participate in the Cookie Program, the nation's premier entrepreneurship program for girls.

Everything girls do in Girl Scouting is designed to help them grow into leaders of Courage, Confidence and Character. The 5 Skills girls discover through the Girl Scout Cookie Program are an important ingredient in the Girl Scout Leadership Experience:

- \* Goal Setting
- \* Decision Making
- \* Money Management
- \* People Skills
- \* Business Ethics

Your Girl Scout will connect with other girls and her community while participating in booth sales and door-to-door order taking. She will have fun, discover a network of community partners, and develop lifelong friendships.

The Girl Scout Cookie Program also allows girls to take action by participating in service projects that are funded in part, or entirely, through earnings from the cookie sale.

You can help your daughter in some simple but important ways:

- Ask her about her personal and troop cookie sale goals
- Listen to her plans for managing "her" cookie business
- Talk to her about what she learned each day
- Encourage her along the way, especially if she is disappointed
- Most of all, have fun with her!

All of the proceeds from the Girl Scout Cookie Program stay within our local areas. Girls benefit from the cookie profits they earn in many ways. Just as an example, a girl's "Dough Si Dough" can be used to pay for Girl Scout programs, annual membership fee, camp and more.

Thank you for supporting your daughter and her troop through the Girl Scout Cookie Program.
