GSHH 2026-2027
Program and Training Guide

Welcome to the 2026-2027 Girl Scout Year!

Dear Members and Friends of Girl Scouts Heart of the Hudson, Inc.,

Welcome to your guide to the 2026-2027 Girl Scout Membership Year with Girl Scouts Heart of the Hudson, Inc. In this guide you will find everything that GSHH has planned for Girl Scouts – from first year Daisies through twelfth grade Ambassadors and everything in between, and beyond! You will find programming tailored to beginning Girl Scouts, events that build upon the Girl Scout Leadership Experience, Bridging events to celebrate the progression of Girl Scouting from one level to the next, and the adult training to help make it all happen!

GSHH's programming teams have again done their best to develop offerings throughout GSHH's seven-county footprint for both youth and adult Girl Scouts to support the council's goal of inclusive and accessible experiences for all of GSHH's members.

This guide will serve as your go-to resource throughout the year for checking program dates and if a training session overlaps with a Girl Scout program so you and your Girl Scout can have simultaneous experiences!

From Girl Scout rookies to rock stars, we've got you covered!

Yours in Girl Scouting,
Dr. Kari L. Rockwell
CEO, Girl Scouts Heart of the Hudson, Inc.

The Girl Experience at Girl Scouts Heart of the Hudson

GSHH takes the guesswork out of planning activities! Girl Scouts can sign up for the programs that interest them and there are so many ways to participate – with members of their troop, individually to explore their own interests, or as an independently registered Girl Scout (Juliette). Don't worry if your Girl Scout doesn't know someone attending a program – they will make new friends by the end of the day!

The Girl Scouts Heart of the Hudson Program Guide contains:

- A list of the scheduled programs/trainings* by date with age level indicators
- Description of programs with locations, registration fees, and anything else you may need for the programs
- A listing of webinars and resources for Girl Scouts working toward their Highest Awards (Gold, Silver, and Bronze Awards)
- Important dates for GSHH's Fall Product and Girl Scout Cookie Programs
- Volunteer Engagement trainings and adult learning sessions.

*Programs are subject to change in the event of low registration numbers, severe weather, or scheduling conflicts.

Girl Scout Leadership Awards

Leadership is at the heart of the Girl Scout experience. As Girl Scouts progress through each program level, they have opportunities to strengthen their leadership skills by mentoring younger Girl Scouts, sharing their knowledge, and serving as positive role models within the Movement.

Girl Scouts can earn leadership awards in four categories:

1. **Personal Leadership Awards**
2. **Peer Leadership Awards**
3. **Teaching Leadership Awards**
4. **Community Advocacy Awards**

Each award helps Girl Scouts develop confidence, responsibility, communication and leadership skills while making a meaningful impact on others.

Learn About the Leadership Awards

To help Girl Scouts, volunteers, and caregivers better understand these awards, we have created an On-Demand Leadership Awards Webinar Series.

These webinars cover:

- The purpose of each leadership award
- Award requirements
- Eligibility by Girl Scout Program Level
- Tips for successfully completing the awards
- How volunteers and caregivers can support Girl Scouts throughout the process.

Watch the webinars **anytime, anywhere, and as often as you'd like**. Learn at your own pace whenever it's convenient for you.

Catskill Mountain Canoers

Catskill Mountain Canoers is a Girl Scout canoe racing team. We practice 3 times a week for the 6 weeks before Memorial Day for the Governor Clinton Canoe Regatta that takes place in Bainbridge, NY over Memorial Day weekend. There are six different Girl Scout Canoe races, depending on the ages of the ddlers.

For the older girls there is a 15 mile endurance race, a 6 person relay race, and a 4 mile sprint race. For the younger girls (11 – 15), there is a 10 mile intermediate race, a 4 person canoe relay race and a 4 mile sprint.

The team is open to Girl Scouts aged 11 – 18. If there is interest please contact Nancy Forsythe at nforsythe@hvc.rr.com. The team has an apple pie sale during November each year, and this helps defray a lot of the costs involved. Prior GS membership not required, but all members are expected to become members of Girl Scouts Heart of the Hudson.
