

Join the Techno Chix!

Think STEM is cool?

Jump in, brainstorm with us, and make an impact!

We are a Girl Scouts Heart of the Hudson Robotics team who competes in FIRST Tech Challenge. In addition to hands-on building and coding robots, we run social media, mentor other teams, and host outreach events to get others excited about STEM.

Looking for those interested in...

- Building
- Coding
- Social media
- Event planning
- Graphic design

And so much more!

Who are...

- In grades 8-12
- Able to attend (most) meetings
- Collaborative
- Creative (or want to be!)
- Ready to learn
- Interested in making friends
- **Any experience level**

Interested?

Visit us!
