Dear Girl Scouts,

At times like these, individuals, especially our Girl Scouts and their families, are looking for ways they can help their communities. We, at Girl Scouts Heart of the Hudson, are working on identifying ways our girls can help.

We have reached out to our Community Partners to see how best we can help.

As we get information, we will update our [website](#) and [Facebook](#) page as appropriate.

So far, we have heard that donations of Personal Protective Equipment (PPE) including fabric facemasks are being collected by Orangetown in Rockland County. They are being accepted at the Orangetown Town Hall.

If you have any questions or need any assistance please contact CustomerCare@girlscoutshh.org.

Yours in Girl Scouting,
