

GSHH Delegate Pin Requirement

"Scouting rises within you and inspires you to put forth your best." – Juliette Gordon Low

GSHH Delegate Pin

As delegates/alternates for GSHH, you serve an important role in our Council – you are elected by your Service Unit, take training, attend and participate in Governance Meetings in the Spring, Fall and Annual Meeting. You are expected to meet with your Service Unit prior to Governance Meetings to receive input and again after to give information. Your role is vital to GSHH as you ensure that our Council is well governed and runs smoothly and soundly. As girl scouts, we are part of an organization that has awards and pins for everything. It is the way we recognize service at all levels of scouting; however, there is no Delegate/Alternate Pin. So, the Governance Committee submitted a proposal to the Board of Directors, at the November Board meeting, to approve a pin for delegates/alternates in GSHH –which the Board did unanimously.

As with any type of award, there is a set of requirements that must be met to earn the pin. Please see the list below for more details. Delegates who fulfill these requirements will receive the Delegate Pin at the Annual meeting.

- Elected by your Service Unit
- Sign and return to Council the Delegate/Alternate Volunteer Position Description agreement
- Complete the Council offered Delegate/Alternate webinar training
- Attend in person at least 2 of the 3 Governance Meetings – the Spring/June, the Fall/November, and the Annual Meeting.

Proxy votes which occur only at the Annual Meeting do not fulfill the in person requirement.

"Girl Scouts is where I became acquainted with the idea that a woman can do anything." – Lisa Ling
