

Dear GSHH Family & Friends,

It was already a challenge – now it is urgent!

GSHH was more than-half way to meeting our special *Girl Scouts Love CAMPAign* fundraising challenge – then it happened...

In a matter of hours, a historic deluge of torrential rain flooded the Hudson Valley and GSHH's camps. It washed away docks at Rock Hill and Camp Addisone Boyce, sank canoes, submerged bridges, destroyed roads, downed trees, damaged buildings and more. Camp Addisone Boyce was hardest hit and was closed for a week of cleanup.

Now, urgent repairs, extensive debris removal and considerable equipment replacement must be added to the original list of important needs and upgrades planned for our camps.

Like the Girl Scouts we are, we are already knee-deep in this massive, muddy clean-up. But, in the aftermath of this historic event, your help is needed – now more than ever! Insurance funds and even FEMA support will not cover all of what needs to be done.

Our girls love their camps, and we need them restored as quickly as possible. Please help GSHH meet this urgent challenge today!

Yours in Girl Scouting,

Helen Wronski  
Interim CEO, Girl Scouts Heart of the Hudson, Inc.
