Girl Scouts Heart of the Hudson, Inc.  
2025-2026 Program Guide

# Welcome to the 2025-2026 Girl Scout Year!

Dear Members and Friends of Girl Scouts Heart of the Hudson, Inc.,

Welcome to your guide to the 2025-2026 Girl Scout Membership Year with Girl Scouts Heart of the Hudson, Inc. In this guide, you will find everything that GSHH has planned for Girl Scouts to grow in their Girl Scout journey and volunteers to get the training and knowledge they need to branch out on their own.

You will find program offerings throughout GSHH's seven-county footprint for both youth and adult Girl Scouts to provide accessible experiences to all of GSHH's members.

This year, we are adding more functionality to the Program Guide by including registration links into the program listings to provide you better access to the programs and be a reference for you and your Girl Scouts throughout the year.

This guide will serve as your go-to resource throughout the year for checking program dates and if a session is being repeated if you missed it or want to recommend it to a fellow Girl Scout.

We hope as you look through this guide you will find something interesting - something you've never done but always wanted to try - there's something for everyone!

GSHH grows Girl Scouts - we hope you'll join us as you continue to forge your own path and grow through your Girl Scout journey.

Yours in Girl Scouting,  
Dr. Kari L. Rockwell  
CEO, Girl Scouts Heart of the Hudson, Inc.

# The Girl Experience at Girl Scouts Heart of the Hudson

GSHH takes the guesswork out of planning activities! Girl Scouts can sign up for programs with their troops, as an individual who is part of a troop but who wants to explore her own interests, or as an independently registered Girl Scout (Juliette).

The Girl Scouts Heart of the Hudson Program Guide contains:

- A list of the scheduled programs/trainings\* by date with age level indicators
- Description of programs with locations, registration fees, and anything else you may need for the programs
- A listing of webinars and resources for Girl Scouts working toward their Highest Awards (Gold, Silver, and Bronze)
- Important dates for GSHH's Fall Product and Girl Scout Cookie Programs
- Volunteer Engagement trainings and adult learning sessions.

\*Programs are subject to change in the event of low registration numbers, severe weather, or scheduling conflicts.
