

At Home Beach Day

Bummed about not being able to go to the beach? Have a beach day in your house or your yard and earn a fun patch! Patches are \$1.25 each. Contact jhanley@girlscoutshh.org to place your order!

Dress for the beach: bathing suit, hat, sunglasses, sandals.
Pack a lunch to bring with you.

Make a cool treat: Make ice cube tray popsicles for your beach treat! All you need is an ice cube tray, toothpicks or popsicle sticks and fruit juice. You can also add pieces of fresh fruit too! Put a piece of foil over the ice cube tray to help keep your toothpicks or popsicle sticks in place. Stick the tray in your freezer and once they're frozen, enjoy!

Lay your beach towel out on the floor.
