

Parental Permission for Girl Scout Year

Troops may opt to use this form in place of multiple activity permission slips. This form obtains parent or guardian permission for meetings and activities for the Girl Scout year. Troop leaders agree to inform parents in advance, in print or electronically, of the details of scheduled activities. Activities that involve high risk activities, sensitive issues, or overnight stays of more than two nights require individual single activity permission forms. This form is to be retained by the troop leader for three years. All activities must be conducted in accordance with the Girl Scouts of the USA and GSHH policies, standards, and guidelines regarding safety and adult supervision.
