

Coco's Tropical Memory Match Game

Instructions:

- Download and save PDF to desktop
- Print your memory cards on printer paper or cardstock.
- Cut out each card carefully.

Optional: Laminate the cards or cover them with clear tape to make them sturdier and long-lasting.

How to Play:

Shuffle all the cards. Lay them face down in neat rows on a flat surface. Make sure no cards are overlapping. On your turn, flip two cards over.

If the two cards match, you:

- ✓ Keep the pair
- ✓ Earn 1 point
- ✓ Take another turn

If they don't match, you:

- Turn both cards back face down
- Pass the turn to the next player

Keep taking turns flipping and remembering where the cards are. The more cards revealed, the more exciting it gets! When all pairs are matched, the game ends. The player with the most pairs collected is the winner!
